If you experience transportation issues within the first few days (i.e., a late bus), you should know a few things:

- Your child won't lose their seat at the school
- It won't count as an unexcused absence/tardy
- It won't hurt their grades

Si tiene problemas con los autobuses durante los primeros días de clases les aseguramos que:

- *Su hija no perderá su lugar en Solar Prep*
- *Su hija no será contada ausente o tarde*
- *No afectara las calificaciones de su hija*
